HIGH-EFFICIENCY AIR CONDITIONER

ASX16 | UP TO 16 SEER

Distinguishing features:

Copeland® CoreSense Diagnostics

Constantly monitoring the performance of your Amana brand air conditioner, this advanced diagnostics system provides insight for accurate troubleshooting and quick diagnosis and repairs. Using the compressor as a sensor, CoreSense Diagnostics delivers active protection and will proactively shut the system down should it detect conditions that could damage to compressor. As a result, catastrophic failures and extensive, costly repairs are often avoided.

Quiet Performance

You can be assured that your Amana brand air conditioner will provide you with quiet operation. To minimize operating sounds, we've acoustically engineered our systems with enhancements that include a compressor sound-reduction cover made of high-density foam and a specially designed sound-control top.

Energy Efficiency

Energy efficiency equates to cost savings. Your Amana brand ASX16 Air Conditioner offers up to 16 SEER energy-efficiency performance. "SEER" stands for Seasonal Energy Efficiency Ratio, a measure used by the U.S. Department of Energy to rate the cooling efficiency of air conditioners and heat pumps. The higher the SEER, the greater the efficiency—and the lower the operating cost. Compared to lower SEER units found in many homes, an Amana brand ASX16 Air Conditioner provides significant savings on your electric bill.

How the Amana® brand makes your decision easier

The purchase of an indoor comfort system is not one to be taken lightly. However, it's one you can make with an air of confidence when you consider all that distinguishes the venerable Amana® brand.

Comforting craftsmanship

Innovative engineering, world-class manufacturing processes and the relentless drive to ensure each unit lives up to our uncompromising standards — these attributes define the Amana brand and result in the premium performance homeowners have come to expect from an American legend. Assembled in facilities in Tennessee and Texas, Amana brand products are built to Last and Last and Last*.

Confidence-inspiring compressor

With Amana brand air conditioners, your comfort and savings start with a high-efficiency Copeland® scroll compressor designed to provide years of reliable cooling comfort. Featuring the latest compression technology, overload protection and efficient design, the scroll compressor is

complemented by our durable, high-efficiency condensing coil, which is made with corrugated aluminum fins and refrigeration-grade copper tubing.

The security of the Amana brand's amazing limited warranties*

To truly seal the deal, Amana brand indoor comfort systems are backed by industry-leading limited warranties*. The majority of our HVAC products are covered by a Lifetime Unit Replacement Limited Warranty*, while all Amana brand products feature a 10-Year Parts Limited Warranty*. Together these warranties combine to offer homeowners a level of purchase protection that's the stuff of legend.

LIMITED WARRANTY* PROTECTION

* Complete warranty details available from your local dealer or www.amana-hac.com. To receive the Lifetime Unit Replacement Limited Warranty (good for as long as you own your home) and 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

Heating & Air Conditioning
Amana
LASTS AND LASTS AND LASTS.

The Amana® brand ASX16 Energy-Efficient Air Conditioner advantages:

- ✔ **High-Efficiency Scroll Compressor** – Designed to provide years of reliable cooling comfort, it provides up to 16 SEER cooling performance for lower energy bills compared to lower SEER compressors.
- ✔ **Single-Speed Condensor Fan Motor** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.
- ✔ **Copeland® CoreSense Diagnostics** – Advanced diagnostics constantly monitor your air conditioner system, reducing failures and pinpointing trouble spots for a fast fix.
- ✔ **Efficient Cooling Capacity** – Five millimeter, refrigeration-grade premium copper tubing and aluminum fin condenser coil configuration deliver outstanding heat transfer properties with R-410A refrigerant.
- ✔ **Factory-Installed Inline Filter Drier** – Protects the refrigerant system from dirt and moisture for longer service life compared to a unit without a filter drier.
- ✔ **Quiet Operation** – Acoustically engineered, high-density sound control blanket helps to reduce noise levels compared to units without sound blankets for years of quiet comfort.
- ✔ **Heavy-Gauge Galvanized Steel Enclosure with Sound-Control Top** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.

EXTENDED SERVICE PLANS AVAILABLE

A legacy of comfort

The impeccable reputation of an American original

Amana brand heating and cooling systems are a part of the enduring legacy of one of America's most recognized and respected brands. Originating eight decades ago in Amana, Iowa, the brand is synonymous with long-lasting, premium quality products — from home appliances to heating and air conditioning equipment. Chances are, you and generations before you have enjoyed the dependable performance and longevity the Amana brand continues to deliver.

Proudly Assembled in Texas and Tennessee

ENERGY STAR® and the **ENERGY STAR** mark are registered trademarks owned by the U.S. Environmental Protection Agency. **ENERGY STAR** products are third-party certified by an EPA-recognized Certification Body. Products that earn the **ENERGY STAR** prevent greenhouse gas emissions by meeting strict energy efficiency guidelines set by the U.S. Environmental Protection Agency.

Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet **ENERGY STAR** criteria. Ask your contractor for details or visit www.energystar.gov.

Creature comforts you and your family deserve.

Whether it's time to replace a component in an existing central HVAC system, or to install a totally new system, Amana® brand products can provide dependable comfort and efficiency for your family – for every season.

Amana® brand's legacy of quality is under review every day.

Amana brand is recognized as an American legacy for energy-efficient heating and cooling systems. For further proof, take a look at the homeowner comments at www.amana-hac.com/reviews.
